

# First Year of School Checklist

**New Hampshire State Law** requires that all elementary school students be vaccinated against nine preventable communicable diseases. Before your child's first day of school, please follow these important steps:

- Call your child's medical provider.
- Verify your child's vaccinations are up-to-date.
- Schedule an appointment for needed vaccinations.
- Get two copies of your child's vaccination record.  
(Give one copy to the school nurse and keep one copy for your records.)
